* Before taking BiL/CMP 600 courses, the thesis proposal should be given up to the date specified in the academic calendar.

** Before taking BiL/CMP 702 courses, required courses must be achieved and ECTS condition must be provided.

*** Publishing conditions must be fulfilled before entering the thesis defense examination.

**** BiL691 course is not in English curriculum.

BiL/CMP 691, 791 and 793 courses are designed to fulfill the academic duties assigned by the advisors and are graded by the advisor

This is a template, the order of the courses to be taken and the number of the courses to be taken prefer to student's and his/her advisor's choice.

All graduate students can take both 6XX and 7XX courses.
